We hereby certify that **Centro Tecnológico Iglesia Pentecostal MI** in the municipality of Humacao, Puerto Rico is eligible to submit proposals under the Library Services and Technology Act, P.L. 104-208, as amended, to promote the improvement of library services and facilitate access to information and library resources.

LSTA funds are awarded to institutions that need to improve library services in order to offer equal access to information to the community which it serves. The libraries must respond to the goals and priorities of the Library and Information Services Program's LSTA Five Year Plan (2013-2017) that the Puerto Rico Department of Education submits to the Institute of Museum and Library Services (IMLS).

Sincerely,

Madeline Vargas Landró
